Log in to 3DICOM for the first time with a provisioned account

Overview

This guide shows you how to access the 3DICOM platform for the first time when using a provisioned account set up by your organization or a 3DICOM team member.

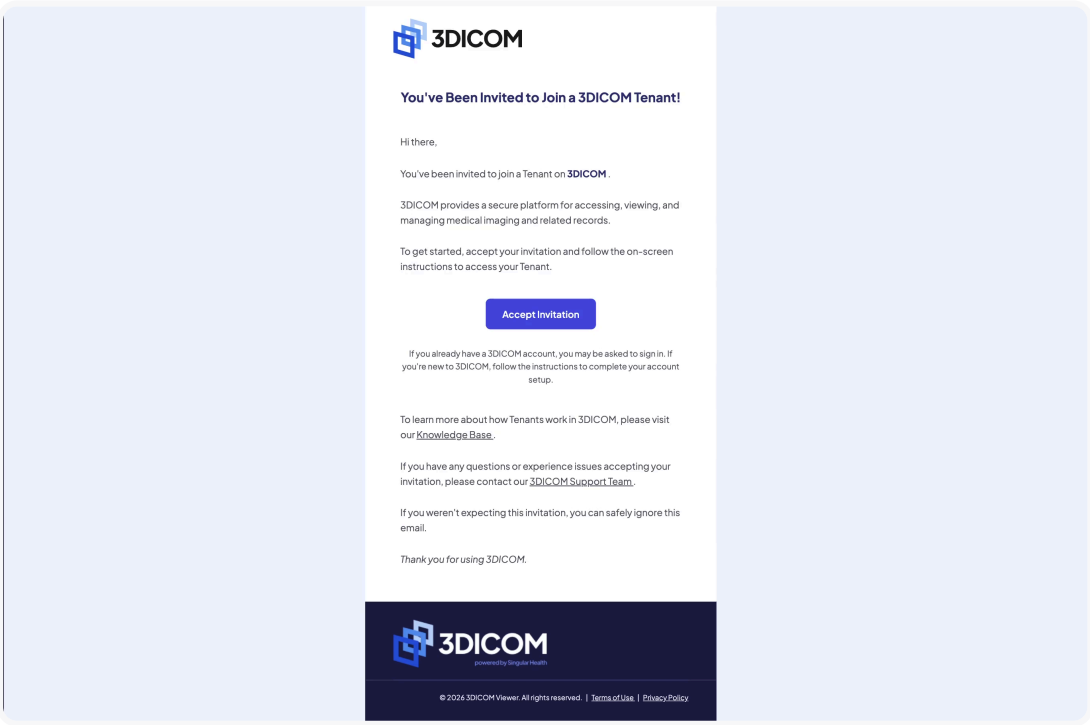
Before you begin

- You need the invitation email sent to you by your organization or a 3DICOM team member.

Log in to the 3DICOM platform

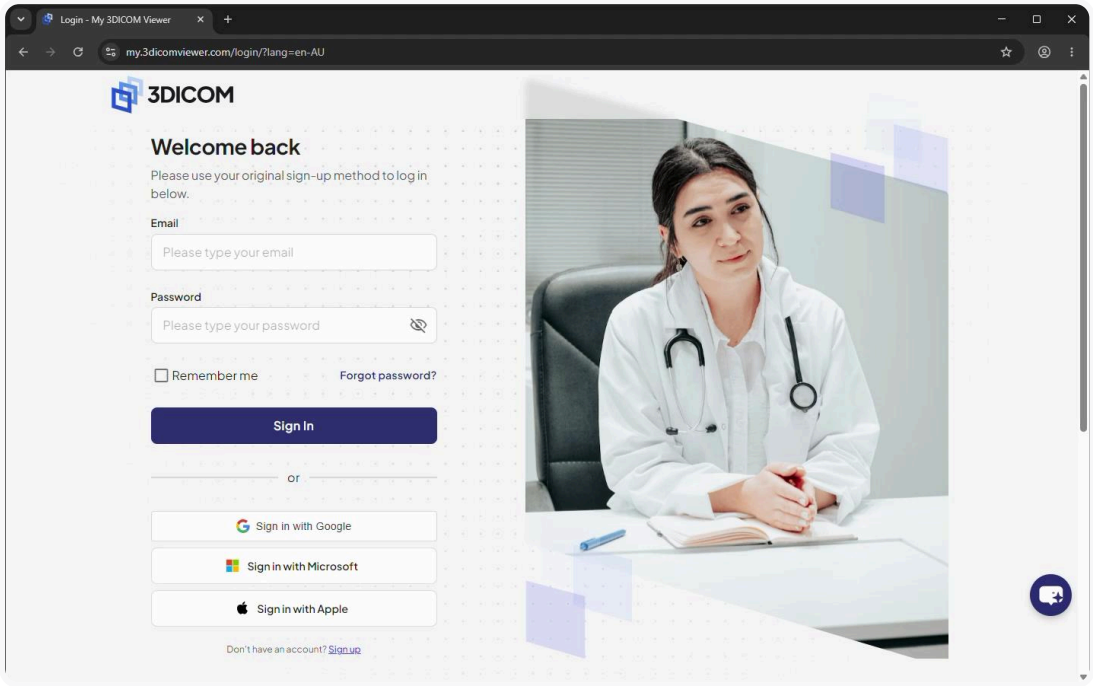
Set up your password

Step 1. Open the invitation email from your organization or a 3DICOM team member.



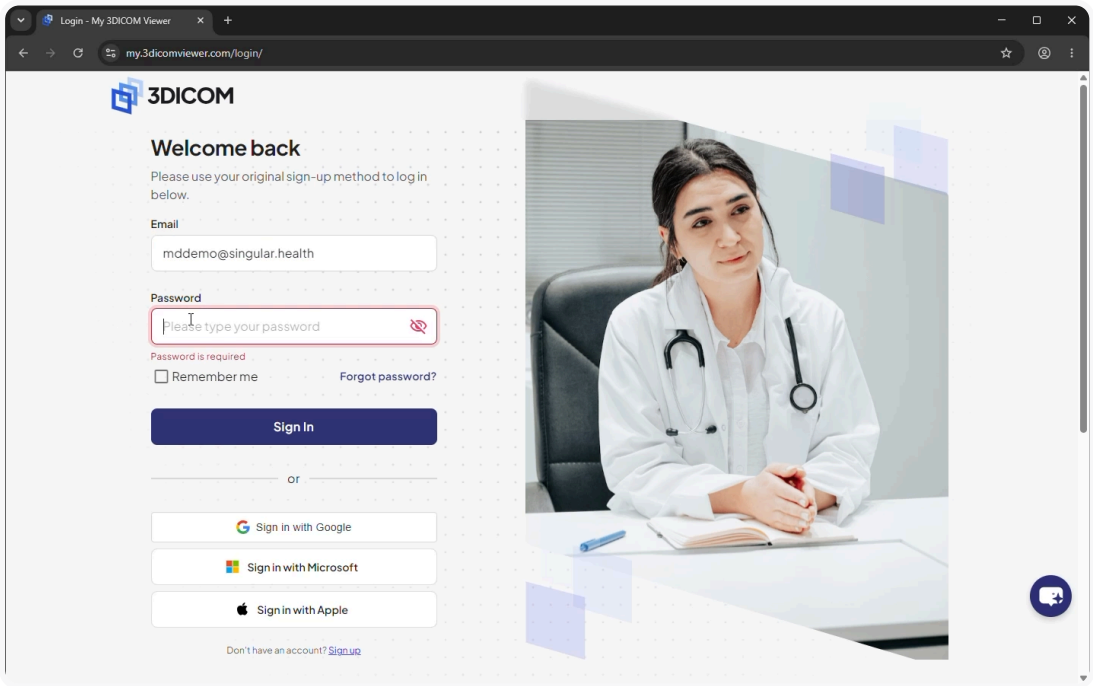
Step 2. Click the link in the email and follow the instructions to set up your password.

Step 3. Go to the 3DICOM login page at **my.3dicomviewer.com**.

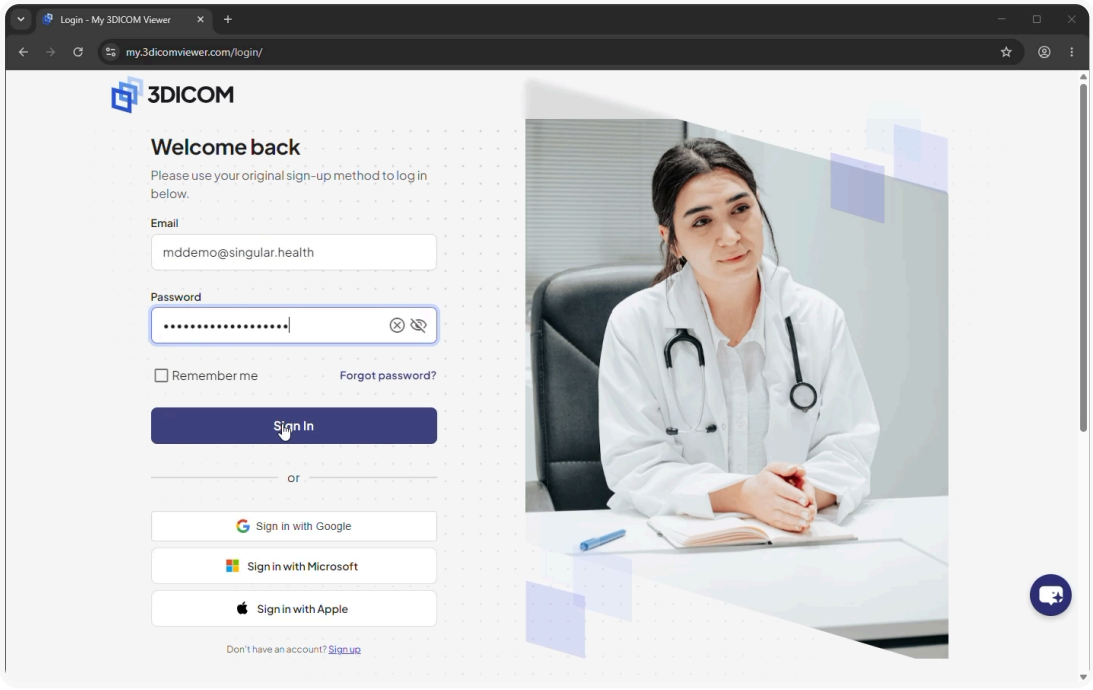


Sign in to the platform

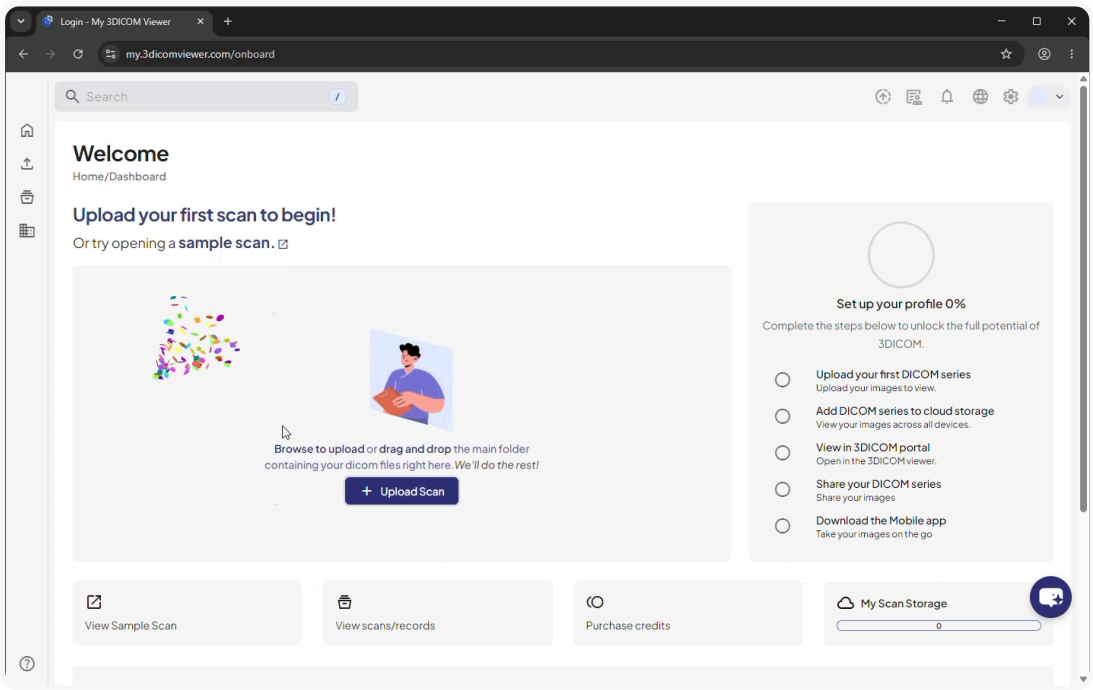
Step 4. Enter your email address in the **Email** field.



Step 5. Go to the **Password** field and enter your newly created password.



Step 6. Click **Sign In** to complete the process.



Result

You land on the 3DICOM **Dashboard** and are now logged in to the platform.
